

**Manor Independent School District
Presidential Meadows Elementary
2023-2024 Campus Improvement Plan**

Mission Statement

Manor ISD will ensure the social, emotional, and academic development of every student through innovative opportunities.

Diverse Paths to Success

Destination Manor

District Strategic Plan Goals (5 year plan)

1. Be the district of choice in this Texas region based on student success.
2. Be a "great place to work" where employees find purpose, do worthwhile work, and make a difference.
3. Serve internal and external customers in partnership to support the highest levels of student success
4. Engage students in a variety of individualized and flexible learning opportunities inside and outside the classroom.
5. Allocate resources with a relentless focus on efficiency and effectiveness based on priorities of student success.

District Student Outcome Goals (2 year plan)

SOG #1 The percentage of third grade students in the district who meet or exceed Postsecondary Readiness Standard as measured by STAAR will increase from 34% to 46% by 2020-21.

SOG #2 The percentage of students in the district who are economically disadvantaged that meet or exceed the STAAR Grade Level Postsecondary Readiness Standard for all grades

on two or more subjects will increase from 28% to 40% by 2020-21.

SOG#3 The percentage of graduates displaying college readiness in the district who earn at least 12 hours of Postsecondary Credit will increase from 10.7% to 21% by 2020-21.

Vision

Manor ISD strives for excellence through strong partnerships and a culture of continuous improvement resulting in innovative, proficient, empowered, forward-looking students.

Core Values

Respect
Student Success
Integrity
Responsibility
Accountability
Support

Goal 1: Be the district of choice in the Texas Region based on student success

Goal 2: Be a "great place to work" where employees find purpose, do worthwhile work, and make a difference

Goal 3: Serve internal and external customers in partnership to support the highest levels of student success

Goal 4: Engage students in a variety of individualized and flexible learning opportunities inside and outside the classroom.

Goal 5: Allocate resources with a relentless focus on efficiency and effectiveness based on priorities of student success.

Core Beliefs

At Presidential Meadows, ***Together***, we will provide a rigorous, yet relevant, high-quality instructional program, producing well educated, balanced, collaborators who are technologically prepared for the 21st century and contribute to society in all aspects.

Our focus is on **Every EAGLE, Everyday!**

We **S**TRIVE for our best.

We **O**PERATE with pride.

We **A**GREE to be positive.

We **R**ESPECT ourselves, others, and our school.

We **SOAR!!!**

Comprehensive Needs Assessment

Demographics

Demographics Summary

For the 2023-24 school year, Presidential Meadows Elementary serves 641 students in grade Kindergarten through 5th grade. The student population is approximately 65% Hispanic, 20% African American, 7% White, 4.7% Asian, and 2.7% two or more. Low socioeconomic status and at-risk is approximately 77%. Student enrollment program is comprised of approximately 11.8% Special Education, 7% Gifted & Talented, and 49% Emergent Bilingual (combined 34% Bilingual and 18% English as a Second Language). Our attendance rates had held steady over the prior years at approximately 96%. However, the attendance rate for Presidential Meadows Elementary was 97.08% exceeding our goal.

Presidential Meadows Elementary School became an authorized International Baccalaureate Primary Years Program (IB PYP) in December 2020.

Demographics Strengths

PME is currently graded at a 79 (C).

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Though PME made significant gains in student progress and closing achievement gaps, the campus continues to perform below many demographically similar schools in the official campus comparison groups. **Root Cause:** There is improvement needed in the delivery of high yield, best practice instructional methods for all students.

Student Learning

Student Learning Summary

Due to Covid-19 closures, all Texas Schools did not complete STAAR assessments and maintained current accountability ratings. The 2019 Texas Education Agency Accountability Rating for Presidential Meadows Elementary is Met Standard. The table below lists Presidential Meadows Elementary historic Performance in each Accountability Index as compared to TEA Target Scores, Manor ISD Performance, and State Performance.

2019-20: No Assessment/Ratings Given

2018-19:

Domain 1: 65

Domain 2: 80

Domain 3: 75

Overall: 79

Continued and focused data analysis remains a fundamental process of Presidential Meadows Elementary. Texas Academic Performance Report (TAPR), State of Texas Assessment of Academic Readiness (STAAR) scores, Texas English Language Proficiency Assessment System (TELPAS) and Performance Based Monitoring Analysis System (PBMAS) are sources of data used by the campus to discern strengths and needs. Presidential Meadows Elementary conducts universal screeners for math and reading at a minimum of three times per year (BOY, MOY, EOY). Benchmark tests are administered in January for state-tested subjects. The benchmarks are formatted similar to the STAAR and aligned to the state test blueprints. Common Formative Assessments (CFAs) will be administered every 2-3 weeks, Common-based Assessments (CBAs) are administered at the end of each unit according to the Manor ISD Pacing Guides

Student Learning Strengths

In 2020, most summative end of year assessments were not completed due to Covid 19 closures. In 2019, Presidential Meadows Elementary made significant gains in student progress, particularly in Grades 4 and 5 Reading. These gains and focused effort resulted in an overall index score growth of 20 points to a 79. This performance solidly pulled PME out of Improvement Required status.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Students at PME are underperforming as compared to state and district averages. **Root Cause:** There is improvement needed in the delivery of high yield, best practice instructional methods for all students.

School Processes & Programs

School Processes & Programs Summary

In 2020-21, PME will complete its candidacy process in the International Baccalaureate Primary Years Program and awaits authorization decision estimated in November 2020.

PME will also participate in major initiatives provided by the district: PLCs, Data Walks, and continuation of the Literacy Initiative. In addition, PME will implement Common Formative Assessments (CFAs) every 3-4 weeks. We've adopted the district model for ESL, which aligns with PME goals for the ELL students. The ESL model will be fully implemented.

Presidential Meadows will put in place incentives to retain 100% highly qualified teachers in all core subjects. All efforts, including bi-weekly professional development and weekly PLCs will train teachers thus improving the quality of instruction and increasing student achievement.

School Processes & Programs Strengths

PME has developed and continues to maintain a system of implementing DuFour's PLC Model. Teams meet horizontally 1-2 times per week to collaboratively plan instruction, review student performance, and make adjustments to improve student learning. PME also conducts bi-monthly faculty meetings in which short recurring professional development is provided vertically to improve instructional practices and student learning.

PME also continues to implement all facets of the International Baccalaureate framework such as teaching through 4-6 transdisciplinary themes and explicit ongoing teaching of the learner profile.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): PME is in the candidacy and development state of IB program implementation and further work is needed to improve the quality, consistency, and alignment of this program and philosophy. **Root Cause:** A change in leadership and in some staffing has presented a learning curve as leadership and faculty work to complete IB candidacy requirements.

Perceptions

Perceptions Summary

Based on School Climate Survey results from students, staff, and families, PME identified the following as areas for improvement:

- ~The need to know that new safety protocols have been established and are implemented with fidelity for all students and staff
- ~A focus on student and staff mental health during this pandemic
- ~Increased opportunities for staff input, feedback, and shared decision making
- ~Increased opportunities for families for shared decision-making and involvement in school activities
- ~Improve student perception of learning; Specifically to increase percentage of students who feel learning at my school is fun from 49% to 90%.

Perceptions Strengths

Student survey results show more than 90% of students believe learning is important.

Staff survey results show new implementation of enhanced safety protocols are being implemented with fidelity.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Student, parent, and staff survey feedback shows a need to strengthen school culture and morale for all stakeholders. **Root Cause:** As PME has journeyed through and out of Improvement Required, maintaining and nurturing perceptions, culture and morale is a challenge that can be addressed and improved.

Priority Problem Statements

Problem Statement 1: PME is in the candidacy and development state of IB program implementation and further work is needed to improve the quality, consistency, and alignment of this program and philosophy.

Root Cause 1: A change in leadership and in some staffing has presented a learning curve as leadership and faculty work to complete IB candidacy requirements.

Problem Statement 1 Areas: School Processes & Programs

Problem Statement 2: Though PME made significant gains in student progress and closing achievement gaps, the campus continues to perform below many demographically similar schools in the official campus comparison groups.

Root Cause 2: There is improvement needed in the delivery of high yield, best practice instructional methods for all students.

Problem Statement 2 Areas: Demographics

Problem Statement 3: Students at PME are underperforming as compared to state and district averages.

Root Cause 3: There is improvement needed in the delivery of high yield, best practice instructional methods for all students.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: Student, parent, and staff survey feedback shows a need to strengthen school culture and morale for all stakeholders.

Root Cause 4: As PME has journeyed through and out of Improvement Required, maintaining and nurturing perceptions, culture and morale is a challenge that can be addressed and improved.

Problem Statement 4 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results

Student Data: Student Groups

- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- Student surveys and/or other feedback

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Study of best practices

Goals

Goal 1: By 2026, 100% of Manor ISD scholars will graduate prepared for college, career, trade, and/or military services based upon their individual goals.

Performance Objective 1: Presidential Meadows Elementary will reach high levels of student achievement through relevant and rigorous learning for all students. 85% of students will score approaches, 60% of students will score meets, and 25% of students will score masters on State Assessments.

Evaluation Data Sources: STAAR 2021

Strategy 1 Details	Reviews			
Strategy 1: Increase 3rd, 4th, and 5th, grade Reading STAAR Meets performance: All Students from 64% to 67% LEP from 58% to 61%, EcoDis from 58% to 61% Add resources to the Literacy Lab that specifically focus/support our high needs populations such as Bilingual/ESL and struggling readers. Purchase relevant and rigorous classroom library texts to K-5 classrooms. Purchase hands on learning materials for reading instruction including whisper phones, listening centers, and letter tiles to implement balanced literacy in Grades K-5. Strategy's Expected Result/Impact: Measured by STAAR and other formal assessment such as CFAs, CBAs, and MOY. Staff Responsible for Monitoring: Principal Assistant Principal Classroom Teachers Literacy Coach Academic Interventionists TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Oct	Jan	Mar	June

Strategy 2 Details	Reviews			
Strategy 2: Increase 3rd, 4th, and 5th grade Math STAAR Level II performance: All Students from 50% to 53% LEP from 46% to 49% EcoDis from 45% to 48% Provide classrooms K-5th with Math Manipulatives and erasable white boards for hands on, standards based learning in math. Strategy's Expected Result/Impact: Measured by STAAR and other formal assessment such as CFAs, CBAs, and MOY. Staff Responsible for Monitoring: Principal Assistant Principal Classroom Teachers Literacy Coach Academic Interventionists TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Oct	Jan	Mar	June
Strategy 3 Details	Reviews			
Strategy 3: Increase 4th grade Writing STAAR Level II performance: All Students from 46% to 60% LEP from 43% to 53% EcoDis from 38% to 48% Strategy's Expected Result/Impact: Measured by STAAR and other formal assessment such as CFAs, CBAs, and MOY. Staff Responsible for Monitoring: Principal Assistant Principal Classroom Teachers Literacy Coach Academic Interventionists	Formative			Summative
	Oct	Jan	Mar	June

Strategy 4 Details	Reviews			
Strategy 4: Increase 5th, grade Science STAAR Meets performance: All Students from 58% to 65% LEP from 52% to 58% EcoDis from 54% to 64% Strategy's Expected Result/Impact: Measured by STAAR and other formal assessment such as CFAs, CBAs, and MOY. Staff Responsible for Monitoring: Principal Assistant Principal Classroom Teachers Literacy Coach Academic Interventionists TEA Priorities: Improve low-performing schools - ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Oct	Jan	Mar	June
Strategy 5 Details	Reviews			
Strategy 5: Presidential Meadows Elementary will implement, with fidelity, My Virtual Reading Coach (MVRC), ST Math, MyOn, I-Ready Math, and other supplemental resources to support reading and math achievement. All resources will increase fluency (numeracy), vocabulary and comprehension. Strategy's Expected Result/Impact: MVRC results, DRA2 data, STAAR results, district benchmarks and CBA, district and campus walkthrough data Staff Responsible for Monitoring: Classroom Teachers Librarian Literacy Coach Academic Interventionists	Formative			Summative
	Oct	Jan	Mar	June

Strategy 6 Details	Reviews			
Strategy 6: Presidential Meadows Elementary teachers, staff, tutors, and push-in interventionists will support student achievement by developing targeted interventions to be utilized during 2nd-5th grade scheduled intervention period, before, during and/or after school tutoring. Strategy's Expected Result/Impact: Universal screeners and monthly progress monitoring systems including MVRC, DRA2, and I Ready. Staff Responsible for Monitoring: Principal Assistant Principal Classroom Teachers Literacy Coach Academic Interventionists TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 5: Effective Instruction Funding Sources: - \$24,523.87	Formative			Summative
	Oct	Jan	Mar	June
Strategy 7 Details	Reviews			
Strategy 7: Teachers and staff will collaboratively plan using DuFour as a guide to ensure student achievement and implement a systematic curriculum through the use of the district's curriculum system. Strategy's Expected Result/Impact: Weekly PLCs and professional development documents such as agendas, sign-in sheets, etc., and observations. Staff Responsible for Monitoring: Principal Assistant Principal PLC Facilitator Literacy Coach	Formative			Summative
	Oct	Jan	Mar	June

Strategy 8 Details	Reviews			
Strategy 8: Presidential Meadows Elementary will restock, maintain and implement dedicated Science Lab space and materials to facilitate hands on learning while reinforcing the district's science curriculum for all students. Strategy's Expected Result/Impact: Measured by STAAR and other formal assessment such as CFAs, CBAs, and MOY. Staff Responsible for Monitoring: Principal Assistant Principal Classroom Teachers TEA Priorities: Connect high school to career and college, Improve low-performing schools - ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Oct	Jan	Mar	June
Strategy 9 Details	Reviews			
Strategy 9: PME will implement Instructional Rounds to improve the delivery of high yield, research based practices in all classrooms. Strategy's Expected Result/Impact: Instructional Rounds will result in the delivery of best practices and the shared ownership of teaching across the campus. TEA Priorities: Recruit, support, retain teachers and principals, Improve low-performing schools - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture, Lever 5: Effective Instruction	Formative			Summative
	Oct	Jan	Mar	June
